## Biscuit Range - Large Dog Formula

Mighty Mix Large Dog Formula is natural and wholesome with no artificial preservatives or colours. Enhanced with superior quality essential proteins to promote optimum health.

Mighty Mix Large Dog biscuit is a large rectangular biscuit enhanced with extra meats providing excellent protein, energy, vitamins and minerals for the hard working active adult dog. Plus, as a result of the hardened biscuit your dogs teeth are cleaner promoting healthier teeth and fresher breath.

### No compromise on quality

Mighty Mix Dog Food Products undertake extensive product and feeding trials, and insist on the highest standards of quality control. We use only the best natural ingredients to ensure a premium dog food product with the best nutrition and a great taste your dog will love!

The health food products in the Mighty Mix process play an important role in producing necessary energy dogs require to with-stand such gruelling conditions. Christine believes the green lipped mussels help to increase joint mobility and strengthening cartilage while the immune system are boosted by the garlic, apple cider vinegar, honey, kelp, omega 3, 6 and 9 cold pressed flax seed flour, while the whole grain cereal condition the bowel. Mighty Mix helps repair muscle damage by using only superior quality essential proteins from eggs and meat including mutton, beef and pork. This gives the dogs the ability to recover quickly from their strenuous work.

Ideal for farm dogs, show dogs, active pets and large breeds.

The Large Dog biscuit is the base Mighty Mix Formula; great for large breeds & working dogs - from puppies to old dogs. This is a unique formulation for ALL life stages of your large breed or working dog. It has the optimum level of protein and vitamins and minerals for peak condition.
